Young, talented, two-time defending American Conference champs, 2005 League Sportsmanship Award winners are just a few of the ways to describe the 2006 edition of the Plymouth Whitmarsh HS Golf Team.

The team hopes to repeat its "winning tradition", but knows that every team they face will be out to play their best golf. Returning is 2005 MVP James Braunsberg (right photo), who captured the 2005 Montgomery County Junior Championship this past summer. Other top eight returnees with experience are juniors Trevor Urban (left photo), Nolan McMahon and Pete Hackenbrack. Other golfers hoping to make an impact this season are Tyler Brown, Vinny Greco, Shane Dolan, Alex Spielman, Christian Koniewicz and Alec Kissell.

Rounding out this year's team are Thomas Barlow, Micheal Witten, Kevin Dick, Gia Bradley, David Piacitelli, Matt Roe & alternates David Cox & Will Peuser. On Tuesday, many PW V2 golfers will play in the Methacton JV Tournament.

The schedule opens with PW playing host to Quakertown (A21 at Plymouth CC) & Wissahickon (A25 at Sunnybrook CC) while traveling to Sandy Run CC on Wednesday to play Springfield. The Colonials have also been invited to play in two tournament this week hosted by Council Rock South (Spring Mill CC) and North Penn (Pinecrest CC). **GOLF RULE OF THE WEEK 12-2 IDENTIFYING BALL:** The responsibility for playing the proper ball rests with the player. Each player should put an identification mark on his/her ball. Except in a hazard, the player may, without penalty, lift a ball he/she believes to be his/her own for the purpose of identification & clean it to the extent necessary for identification. Before lifting the ball, the player must announce his/her intention to his/her opponent & mark the position of the ball. He must then give his/her opponent an opportunity to observe the lifting & replacement. If he/she lifts the ball without announcing his/her intention in advance, marking the position of the ball or giving his/her opponent an opportunity to observe, or lifts his/her ball for identification in a hazard, or cleans it more than necessary for identification, **he/she shall incur a penalty of one stroke** and the ball shall be replaced.

**MESSAGE FROM COACH WADLIN:** Having completed tryouts earlier in the week at Jeffersonville & Westover CC, I am pleased to have so many golfers (12) back from the 2005 team, along with some new "fresh faces". We are young (only one senior), but have a great deal of experience. The competition will be intense to see which eight golfers will play each match; yet this team has the makings of a fun group to be around.

Pictured to the right is Mr. Anthony Carbo (along with PW junior golfers Alex Spielman & Christian Koniewicz). Mr. Carbo is 81 years young & has been working at the Plymouth CC for 68 years. In 1938, he "shagged ducks" on the driving range for \$1.25/day (caddies made 75¢/day), which believe it or not, was "big money" back then. Mr. Carbo also was employed as a custodian for the CSD for over 50 years. Our "hats off" (or "hats on" as noted by Anthony's head gear) to Mr. Carbo, who epitomizes what dedication & hard work is all about. **When you see Mr. Carbo, be sure to say "hello".**

Good luck this season and remember my slogan... "Take Dead Aim at the Pin." Coach Wadlin
